

OSPREY

WATER SPORTS 2019

INTRODUCTION

Since 1993, Osprey has existed to create products that promote action, excitement and adventure to whoever seeks it, wherever they may be. We have never waived from our values of creating quality performance products that are appealing to all levels, from beginners to full-time adrenaline junkies, whilst ensuring that the products we create are built to last and fit for purpose in demanding environments.

We have continued to grow and develop an impressive collection of surf hardware featuring quality and unique artwork all created by our in-house design team. With an array of product categories including Wetsuits + Accessories, Triathlon, Sailing, Surfboards, SUP, Bodyboards, Skimboards, Surf Accessories, Swim Snorkel & Dive and Watersports Safety Gear, we are one of the most recognised Action Sports brands in the UK & Europe.

As you look through the following pages, we hope you find yourself as excited as we are in our 2019 Watersports offering, look forward to the year with anticipation and continue to grow your business with Osprey Action Sports.

WETSUITS

Whether you're after a flexible and lightweight summer wetsuit for carving lines on long summer days, or a snug and comfy winter wetsuit to keep you warm when the cooler waters arrive, then Osprey wetsuits have you covered.

Over the past few years our wetsuit range has proven itself to be hugely popular, offering great spec and design at a reasonable price. This year we have seen particularly strong growth in our Origin range and our introduction in 2017 of the 5mm option in the Origin spec was a great success.

Just a few of the key features that run through our Origin wetsuits include Ultra-Flex Neoprene, Chest & Back Wind Shields,

Anti-Rub & Sealed Openings to avoid chafing & water flushing, Ergonomic Panelling for a superior aesthetic fit, Flatlock Stitched Seams and Rubberised Knee Pads. You will also find a great range of wetsuit accessories for men, women and kids ideal for all seasons and abilities from wetsuit boots to neoprene gloves. We have also introduced a new wetsuit boot and aqua shoe into the range.

Osprey produce and supply more wetsuits to the UK surf market than any other brand each year. The depth of knowledge and experience in our sourcing team is what allows us to produce high quality, entry and intermediate level wetsuits at an affordable price.

FEATURES GUIDE

 3/2 3/2mm Neoprene	 Flatlock Seams	 Pre Bent Arms & Knees	 Super Stretch Collar	 Quick Dry

RASHVESTS

With Osprey’s great range of rash vests you can enjoy the water with a little extra protection from the irritation of itchy skin caused by the combination of rubbing wetsuits and salt water. Lightweight and with bold designs, Osprey rash guards form an additional layer between you and your wetsuit offering maximum comfort without reducing flexibility.

Osprey rash vests also offer great protection from the sun, with every rash vest in our range offering SPF 50. Not just designed for protection from wetsuit rubbing, many people wear these to protect skin from burning during water sports or beach activities, from snorkelling to rock pooling.

Their quick drying qualities mean that they don’t hold much water and so once you’re finished for the day, you can hang it up and expect it to be dry within just a few hours, ready for the next adventure.

From men’s and women’s short and long sleeve rash vests to kids rash vests, you can get the most out of your water sport, be it surfing swimming or kayaking whilst minimising the effects that a long day in the water can have on your skin.

SURFBOARDS

Our surfboard collection comprises of foam surfboards, bodyboards, skimboards and surf accessories including bags, fins and leashes. Designed for beginners and intermediates of all ages, we have a huge range of designs and specifications to choose from.

Osprey foam surfboards are perfect for those just starting out in the world of wave riding. The soft top XPE deck incorporated in the design of our range of foamie boards is constructed to be more forgiving for beginner surfers. With strong growth in this category this year, we have carried the most popular designs into more sizes and also made the designs more consistent across the board sizes, with the exception of the 9ft size, where we have added a more mature deck colour for older learners. All of our foam surfboards include fins and leash.

Osprey body boards are made from high spec materials and feature innovative design features, from the EPS core, the XPE textured deck through to the bat tail and crescent tail designs there is a board to suit beginner and intermediate body boarders! Whether for people looking to take the first tentative steps into wave riding or for the seasoned salt water veteran looking for a new challenge, we have a range of body boards to suit all styles and abilities.

The Osprey surfboard accessories range boasts a selection of quality surfboard accessories, for sea-loving men and women to maximise their wave riding experiences. Whether you're looking for a replacement leash for your board or a board bag for your foamie, you will find it here.

All Osprey products offer eye catching designs and durability as standard, so whether you're a seasoned wave charger or a salt water novice, we offer accessories to suit all abilities and styles of water enthusiast.

DIVING AND SWIM GEAR

Osprey diving equipment is designed for all levels of water man and woman, from the casual snorkeler to the scuba diving pro, Osprey designs offer durability and comfort as standard.

Osprey’s range of performance dive gear is designed with both casual undersea explorers and grizzled dive veterans in mind. Whether plumbing the depths is merely a pastime that you undertake on holidays or being underwater is something that has become almost second nature to you, then you will find something in the Osprey range to fulfil your needs.

Our durable dive masks feature a dual and single window designs with a sturdy 4mm tempered glass lens to help cope with the standard pressure as well as the rough and tumble that can occur whilst descending into the blue.

Our swim collection includes a range of high quality swimming goggles and swim caps for beginners and intermediates. Our goggles include high-end features such anti-fog treatments, shatter resistant technology and soft silicone eye gaskets.

WATER SPORTS

From buoyancy aids to water sports helmets and roof pads, the Osprey water sports range incorporates a range of products designed to protect you or enhance your water sports experience. Our range of buoyancy aids are designed for both adults and kids. Constructed from super soft, lightweight EPE foam they provide excellent buoyancy and assist floatation whether in the water on purpose or by accident! They come equipped with easily adjustable waist straps to ensure a snug, safe fit. We have purposefully designed them in bright colours, to ensure visibility in the water.

Widely used by coasteering centres across the UK we've had great feedback this year on our water sports helmets. These are ideal for protection during a range of water sports activities including kayaking, coasteering and sailing. They offer strong and reliable protection, with vents in the front, top and rear of the helmet, allowing water to escape. They are heat pressed with an EVA impact absorption liner to keep any dangerous capsizes you may encounter from causing any damage. With a comfortable headlock and chin pad, our helmets come in two bright colours (red and blue) and in 3 sizes ensuring a snug fit is available for all.
