

Summer 19 Official Licensed Product

Introduction

We are very excited to launch our latest official licensed VW range. Ever present at campsites and festivals across the UK, the Volkswagen camper is an icon of British summertime. The iconic VW brand now makes its way straight onto the beach via this new partnership. As the world's largest carmaker, licensing deals don't come much bigger than Volkswagen. Our talented UK design team have taken VW's instantly recognisable brand and combined it with our most popular beach products resulting in a highly appealing range that offers something unique from the rest of the market and is sure to stand out on beaches throughout the summer. From beach towels to flip flops, the range has everything that a Volkswagen fan could wish for, whilst still being subtle enough to be popular with general beach goers.

Adventure meets travel with the UB and Volkswagen collaborative range. Our shared instincts to discover something new has shaped this brand new range of tees, shorts swimwear and more.

A symbol of travel and adventure, the iconic Volkswagen visuals have been thoughtfully integrated into the UB designed and VW inspired range. Now customers can take on their next journey along the coast, begin their trip to the hills or explore urban environments with gear they know is made ready for the adventure.

Including design cues from the world's largest car brand and iconic influences from the unmistakable VW Campervan and Beetle, men, women and children can create an outfit inspired by their desire to go and discover something new.
