POINT OF SALE

ECO FRIENDLY RANGE

As part of our Recycled Eco Range we have introduced a new Plastic Free Range. Featuring seaside classics, this range is made from natural materials which are 100% plastic free - including all packaging. Help reduce plastic waste in our seas with our wooden crab line and steel bucket.

Our crablines feature no dangerous hooks or nasty plastics, simply add a few stones and bait into the hessian bag. Don't forget to keep the bucket water fresh and remember to always release all crabs back into the water!
