Volkswagen

Introduction

Ever present at campsites, festivals and seaside towns across the UK, the Volkswagen camper is an icon of British summertime. We've taken VW's instantly recognisable brand and created a huge selection of unique branded products.

From a 1:1 scale replica tent of the original T1 camper, to sleeping bags, chairs and rugs; the range has everything that a Volkswagen fan could ever want.

Feeling adventurous? The shared instincts of UB and Volkswagen have combined to shape our clothing range. Including design cues from the world's largest car brand and iconic influences from the unmistakable VW Campervan and Beetle; men and women can create an outfit inspired by their desire to go and discover something new.
