ECO FRIENDLY RANGE

These 100% plastic free seaside classics are part of our Yello Eco range. Made from natural materials the Yello eco-friendly range is completely free from plastic, including all packaging, in order to help reduce plastic waste in our seas.

Our crab lines feature no dangerous hooks or nasty plastics and work by using a few stones and bait in the hessian bag. These partner perfectly with the metal crab bucket to view your catch! Don't forget to keep the bucket water fresh and remember to always release all crabs back into the water!
