

WILTON
BRADLEY
TOY 2023

TOY CATALOGUE 2023

With over 25 years' experience providing quality toys, games and learning devices, Wilton Bradley are delighted to introduce our new 2023 toy catalogue. Passionate about exploring new concepts and markets, we've invested significantly for 2023 in expanding our creative capabilities to bring you innovative products such as the new Big Bumper Car to exist alongside our best-selling back-catalogue. Designed in-house by our talented design and development teams, our award-winning ranges provide you with a complete solution which is here to carry you through 2023 and beyond. With a diverse mix of quality indoor and outdoor products, you are sure to find something to suit every budget and requirement. All our products are presented at our specially outfitted showroom, and we welcome viewings by appointment to see the entire range at your convenience.

Since 2014, Xootz has been making it easier than ever for kids to access the great outdoors in style. With a range of affordable, hard-wearing skates, scooters and skateboards that effortlessly bridge the gap between toy and action sports, there has never been a better time to coax the kids away from the screen and out to play. Our range of go-karts, electrified drift trikes and other Xootz ride-ons also offer hours of thrills for kids.

A photograph of two young women with long hair, smiling and singing into handheld microphone speakers. The woman on the left is wearing a purple and white patterned t-shirt and blue jeans. The woman on the right is wearing a teal t-shirt and blue jeans. They are in a bedroom with a bed, shelves, and string lights in the background. The lighting is warm and pinkish. The brand name 'mi-mic' is visible on the microphone held by the woman on the right.

mi-mic

As winner of the Made for Mums Toy Awards, Toy Shop UK Independent Toy Awards and Right Start Awards, Mi-Mic is an industry-leading portable karaoke system. Allowing the whole family to play their favourite songs directly from a mobile and sing along over the top, Mi-Mic's range of Bluetooth microphone speakers are perfect for parties or impromptu gigs in the living room.

Play, Pause, Next & Prev Track Controls

Echo, Volume and LED Controls

A child is shown from the back, sitting at a white table and operating a white Sew Amazing sewing machine. The machine has pink accents and a large pink hand crank. The child's hands are guiding a piece of pink fabric with white polka dots through the machine. On the table, there are other pieces of pink polka-dot fabric, a spool of black thread, and a wooden button. A large, stylized graphic of the words 'Sew Amazing' in a cursive font with a pink dashed outline is overlaid on the center of the image.

Sew Amazing

Perfect for helping kids develop dexterity and channel their creative energy, Sew Amazing's line of sewing tools and accessories helps children design and make their own unique clothes and textile pieces. Faster, safer and easier than traditional sewing, Sew Amazing's range of products means children develop the patience and skills required to create a variety of stunning pieces they can be proud of. Receiving creative commendations from the Toy Shop UK Independent Toy Awards, Sew Amazing products are an ideal companion for kids of 6 years old or more.

Guitar Bag

A photograph of two young girls with light brown hair, one in a purple and white striped shirt and the other in a white shirt, both looking intently at a small globe. The girl in the striped shirt is pointing at the globe with her right index finger. The globe is blue with colorful landmasses and is positioned in the foreground. The background is a soft, out-of-focus white fabric.

SCIENCE

DISCOVER A HIDDEN WORLD

Whether they're uncovering the mysteries of the cosmos or exploring the microscopic world at their feet, Toyrific Science's range of telescopes, microscopes, globes and more introduces children to the wonders of the universe and the world we live in.
