SURFBOARDS

With Osprey's diverse range of Foam Surfboards, beginning to catch waves has never been easier. Thoughtful design choices help to inspire confidence in beginners whilst providing hours of fun and a different feel for seasoned surfers, making them an ideal board for any rider. The soft top XPE deck featured throughout the range is comfortable, offering greater shock absorption and a more forgiving landing if you lose your balance, whilst the wooden stringers and durable yet lightweight EPS core provides plenty of strength and buoyancy. The three-fin 'thruster' design offers exceptional stability whilst maintaining manoeuvrability, making it perfect for both beginners and veterans.
