From buckets and spades made from recycled plastic to stylish, eco-conscious windbreaks, Yello offers a wide selection of sustainable beach accessories perfect for family days out or relaxing coastal getaways. Whether you're building sandcastles, soaking up the sun, or enjoying a picnic by the sea, our Eco Friendly Range ensures you can make the most of your time outside without harming the planet.

ECO FRIENDLY RANGE

Our Yello Eco Friendly range offers a selection of seaside classics made from plastic free materials. Using natural materials, our eco friendly range is designed to help reduce plastic waste headed for our oceans. This includes using 100% plastic free packaging too!

Our crab lines are free from any dangerous hooks or nasty plastics and work by using a few stones and bait in the natural hessian bag. These partner perfectly with the metal crab bucket to view your catch. Our brand new eco windbreak has been designed using bamboo and rPET from plastic bottles to ensure our range of products are strong and durable without harming the environment.
